COVID-19 Safety Plan

Keeping all of our guests healthy and feeling safe at our studio is a #1 priority. We have multiple protocols and methods in place to accomplish this while still allowing you to benefit from using our space. All guests are required to practice the safety standards outlined below. Please distribute this document to each member of your team and ask them to sign the waiver on the last page. We are all in this together!

Physically Distancing & Protection

- » 2m (6ft) between all guests must be maintained at all times. Our studio space is an open format which will help in the practice of this.
- » We have a guest capacity of 12 in our studio. We have a capacity tracking system set up at the front door to help ensure this is followed.
- » We require all guests to wear face coverings/shields while indoors.
- » Tangible employees will limit interactions with guest team members.

Cleaning & Hygiene

- » We will clean and sanitize our studio and equipment prior to the rental period.
- » Hand sanitizer and soap will be provided. We ask for each team to also bring their own.
- » Please practice proper and frequent cleaning/sanitizing of hands and high traffic areas.
- » As recommended by Worksafe BC, we ask guests to bring their own single use compostable kitchenware and pre-packaged food/beverage items.
- » Team members should avoid touching their face and cough or sneeze into their arms.

Communication

- » We will ask for each team to have a safety point of contact to be responsible for their team's practice of all these Covid-related guidelines.
- » A Tangible staff member will set up a call with the team lead and safety point of contact to review protocols prior to the rental period.
- » Each day the team will be responsible for conducting a check-in to ensure team members are not ill or suffering from Covid-related symptoms.

COVID-19 Waiver

In accordance with BC health officials and our goal of keeping our studio a healthy and safe environment, we require all guests to answer the following questions and follow the instructions. Please do so, fill in your info and return to a Tangible employee.

Health Declaration and Assumption of Risk

Have you experienced any of the following in the past 10 days? Yes ___ No ___

- » Severe difficulty breathing (e.g. struggling to breathe or speaking in single words)
- » Severe chest pain
- » Having a very hard time waking up
- » Feeling confused
- » Losing consciousness

Have you travelled to any countries outside Canada (including the United States) within the last 14 days? Yes ___ No ___

Did you provide care or have close contact with a person with confirmed COVID-19? Yes ___ No ___

Have you been told to self-isolate by any health authority? Yes ___ No ___

I agree to take on all risks related to COVID-19 while at Tangible's studio. I release Tangible Interaction Inc. from any and all liability relating to the COVID-19 virus that could cause me harm.

I agree to contact Tangible if I experience any COVID related symptoms within 14 days of being at the Tangible studio.

Full Name _____

Date _____
